"Our Services, Your Satisfaction"

Dear Sir(s)

Greetings!!

We take this opportunity to introduce ourselves as "NS Engineers" – **Power System Protection Service Provider**. We offered vital and reliable Services to Industrial Plants & Utilities for **Power System Protection Services**. Power System Protection Services Include Testing, Commissioning, Retrofitting, Power System Studies etc.

Our Strengths:-

❖ **TESTING & COMMISSIONING:-**

- We have dedicated team of experts for Testing & Commissioning services of all types of Protection Relays, Control & Relay Panels, Switchgear Panels, Transformers, Motors and Sub-stations up to 400KV.
- Testing & Commissioning of Protection Systems of all types of Relays including Electromechanical to Numerical Relays of all Manufacturers(ABB, Siemens, AREVA, GE, SEL, Woodward etc.)
- Testing & commissioning of all types of Primary Equipments in Substation such as CT, PT, Circuit Breakers, Isolators, Transformers, Motors etc.
- Retrofitting and Revamping Activities of all types of Protection Systems.
- Third Party Inspection Services for Pre-commissioning activities.
- Sophisticated Testing Instruments for Testing of Power System Equipments and Numerical Testing Kit for Testing of Protection Relays.

❖ **Analysis & System Study:**

- Are you facing any Mal-Operation of Protective devices in your Plant??
- Your plant's Upstream Feeder Trips before your Downstream feeder Trips for fault at downstream??
- Are you sure about the Capacity of the Electrical Switchgear Equipments in your plant??
- Have you face any Hazardous accident in your plant??

If answer is positive than here is the solution.

Your plant's Electrical system need to have Analysis in detail. We have,

- Experts in providing solutions for Power Plants, Industrial plants for Protection Audit, Load Flow Study etc. on ETAP Software.
- Experts in Short Ckt. Study, Relay Coordination Study for Industrial plants.
- Relay Setting Calculation for all type of Electromechanical & Numerical Relays.
- Implementation of System Studies and customized solution provider.

Ph :- +919601282133/+917600096685, E-mail:- info@nsengineers.co.in

NS ENGINEERS

ELECTRICAL ENGINEERING CONSULTANTS

68-A, Pushpraj Complex, Near : Jashoda Cross Road, Vatva GIDC Road, Ahmedabad - 382445.
E-mail ID : info@nsengineers.co.in , Web Site : www.nsengineers.co.in , Ph : 09601282133.

❖ **Protection & Automation:-**

- Providing services for Industrial Plants & Substations for Protection and Automation Projects includes SCADA, Networking and any customized solutions.
- Configuration of the IEDs as per SCADA requirement.
- Implementation of Load shedding application, Maximum demand controller etc.

❖ **Design & Engineering:**

- Design & Engineering Team provides reliable services in area of Power Plants, Industrial Plants, Sub-stations. Providing Electrical System Design, Layouts of Substations, Cable Schedule etc.

❖ **Protection IEDs of "Crompton Greaves" :**

- We pleased to provide Sales & Service support for Crompton Greaves IEDs. Various types of IEDs include O/C & E/F Relay, Feeder management Relay, Transformer Diff. Relay, Motor Protection Relay, Bus bar Protection Relay, Distance Protection Relay. Product range also consists of Transformer Monitoring Unit, Data concentrator, RTU & SCADA.

Experience of Our Team had been described in brief:

❖ **Testing & Commissioning Experience:**

- Testing & Commissioning of Substation up to 400KV with Third Party Inspection (Utility Boards).
- Testing & Commissioning of Pumping Stations for 132KV/66KV/33KV/11KV of Various companies such as Jyoti Ltd, Kirloskar Ltd., IVRCL with Third Party Inspections.
- Protection Relays Testing in various Refineries, Industrial plants.
- Protection Relays Testing & Commissioning in various Utilities MSETCL, GETCO, RRVNPL.
- Testing & Commissioning of All Type of Protection Relays (ABB, AREVA, Siemens, GE, SEL, CG) with IEC61850 Configuration, GOOSE Configuration etc.

❖ **System Study and Analysis:**

- Power System Analysis for Various Industrial Plants, Refineries which include custom solutions, Load Flow study, Short Ckt. Study, Harmonic Analysis, Transient stability, Motor Acceleration study etc. on ETAP Software.
- Relay Setting Calculation & Relay Coordination Study.
- Executive summary which includes recommendation of the best practices as per Industry standards and support for Implementation.

NS ENGINEERS

ELECTRICAL ENGINEERING CONSULTANTS

68-A, Pushpraj Complex, Near : Jashoda Cross Road, Vatva GIDC Road, Ahmedabad - 382445.
E-mail ID : info@nsengineers.co.in , Web Site : www.nsengineers.co.in , Ph : 09601282133.

❖ **Protection & Automation:-**

- Having hands on experience on all type of IEDs of various make ABB, AREVA, SIEMNES, GE, SEL, CG etc.
- Protection Scheme checking such as Differential Scheme, Restricted Earth fault scheme for Transformer, Generators, Motors.
- Protection system analysis for Industrial Plants & Substations and customized solutions.
- In depth working experience in Protection & Automation including Networking & SCADA.
- Configuration of the IEDs as per SCADA requirement.
- Implementation of Electrical SCADA, Energy Management Systems with various protocols i.e. Modbus, IEC103, DNP, IEC61850 etc.
- Implementation of Load shedding application, Maximum demand controller etc.

❖ **Design & Engineering:-**

- Engineering & Design of Various Substations up to 220KV, Designing of Pumping Stations up to 132KV for Jyoti Ltd., Kirloskar Ltd., IVRCL.
Engineering includes various types of substation layouts, Preparation of CDR, Single Line Diagrams, Equipment Sizing, Earthing Layouts, Lighting Layouts etc.

Our Team includes Professionally trained, Focused, Energetic team of Engineers backed by a team of Highly Experienced Experts.

Assuring you our best services forever and look forward to work with your esteemed organization.

Thanking You,

NS Engineers

ELECTRICAL ENGINEERING CONSULTANTS

68-A, Pushpraj Complex, Near : Jashoda Cross Road, Vatva GIDC Road, Ahmedabad - 382445.
E-mail ID : info@nsengineers.co.in , Web Site : www.nsengineers.co.in , Ph : 09601282133.

Few of the clientele are mentioned below:

➤ **Signet Products Pvt. Ltd.:-**

- Revamping of 132KV Transformer C&R Panel at MSETCL, Pune S/S.
- More than 100 Nos. of Numerical Relays(RET670, CSC326, CSC321, REL670 i.e. Distance Relay, Differential Relays, Back up relays) Commissioning & Retrofitting in various substation of MSETCL, Pune.
- Retrofitting, Configuration, Testing & Commissioning of Distance Protection Relays at MSETCL, Solapur.

➤ **MBH Power Private Ltd:-**

- Testing & Commissioning of 400KV GETCO(Gujarat Electricity Transmission Co.) Switchyard at Halvad, Gujarat.
- Testing & Commissioning of Reactor Bay at 400KV GETCO Varsana, Anjar Substation.
- Testing & Commissioning of Line Bays at 400KV GETCO Varsana, Anjar Substation
- Cable Laying & Termination at 220KV Jarod Substation, Gujarat.
- Testing & Commissioning of 220KV GETCO Jarod Substation, Gujarat.
- Testing & Commissioning of 220KV GETCO Modasa Substation, Gujarat.

➤ **ABB Limited:-**

- Testing of ABB Make Numerical Relays(i.e. Transformer Protection, Feeder protection, Distance protection etc.) at ONGC(Oil & Natural gas Corporation)- Dahej Plant.
- Testing of Siemens make Numerical Relays(i.e. Line Feeder, Transformer Feeder etc.) at Tata Motors Limited, Pantnagar.
- Testing of Energy Meters at Tata Motors Limited, Pantnagar.

➤ **Honeywell Automation India Ltd.:-**

- Commissioning of SCADA system for Synchronization and Process of 7X110MW Hydro Power Plant at APGENCO, Srisailem.
- Engineering & Commissioning support for SCAP Panel for 6X12.5MW STG at CAIRN Energy, Barmer Plant.
- Modification, Testing of RTU Panel & Commissioning of RTUs at RRVPNL for different Substation in Rajasthan which includes data reporting at LDC.

➤ **ASM Power Ltd.:-**

- Tan- Delta, SFRA & Winding Resistance tests of Power Transformer at 400KV GETCO Jetpur SS.
- Tan- Delta, SFRA & Winding Resistance tests of Power Transformer at 400KV SS of Ideal Energy Pvt. Ltd, Nagpur.

➤ **Hitech Engineers:-**

- Configuration, Testing & Commissioning of AREVA make Numerical Relays(i.e. Transformer Protection, Line Protection, Busbar Protection) at 400KV GMR SS, Nagpur.

NS ENGINEERS

ELECTRICAL ENGINEERING CONSULTANTS

68-A, Pushpraj Complex, Near : Jashoda Cross Road, Vatva GIDC Road, Ahmedabad - 382445.
E-mail ID : info@nsengineers.co.in , Web Site : www.nsengineers.co.in , Ph : 09601282133.

➤ **Vardhman Associates:-**

- Configuration & Testing of AREVA Make Numerical Relays at IOCL, Kandla and Reliance Industries Ltd., Jamnagar.

➤ **Electromech Engineers:-**

- Retrofitting & Commissioning of AREVA Make Relays at GAIL(Gas Authority of India Ltd.), Guna.

➤ **BipinKumar Electric Corporation:-**

- Configuration, Testing & Commissioning of SCHNEIDER Make Numerical Relays at M/s. Sterling Powergen, Daman.
- Configuration, Testing & Commissioning of SCHNEIDER Make Numerical Relays at M/s. BPCL, Bharatpur.
- Configuration, Testing & Commissioning of SCHNEIDER Make Numerical Relays at various substation of RRVPNL, Rajasthan.

➤ **J.D. Engineering :-**

- HV panel Testing & Commissioning at ONGC(Oil & Natural Gas Corporation) Petroproducts Ltd.- Dahej.
- Testing & Commissioning of HV Panel Including CT, PT, Relays etc. at Essar Jamnagar.
- Testing & Commissioning of HV & LV Panel Including CT, PT, Relays etc. at Simens, Goa.
- Testing of all types of Relays in annual Shutdown work at IOCL(Indian oil Corporation Ltd.), Mathura.
- Testing of all types of Relays in annual shutdown work at Vedanta, Orissa.

➤ **Simon India Ltd.:-**

- Testing & Commissioning of LT Panels at IFFCO(Indian Farmer Fertilizers Cooperative Limited), Paradip.

➤ **Sterling & Wilson Ltd.:-**

- Power System Analysis(i.e. Load Flow Study, Short Ckt. Study, Relay Coordination) of M/s. Bosch Rexroth Ltd Plant.
- Configuration & Testing of Numerical Relays at GETCO, Dhuvran Power Station.
- Power System Analysis(i.e. Load Flow Study, Short Ckt. Study, Relay Coordination) of M/s. Ford India Ltd. For their Sanand Plant.

➤ **Alpha Corporation :-**

- Testing & Commissioning of 66KV Pumping Station at Khaddi, REWA(M.P.).
- Testing & Commissioning of 66KV Pumping Station at Tyonther(M.P.).

➤ **Asia Telecom :-**

- Testing & Commissioning of 66KV Pumping Station at Gadhada, Gujarat.

NS ENGINEERS

ELECTRICAL ENGINEERING CONSULTANTS

68-A, Pushpraj Complex, Near : Jashoda Cross Road, Vatva GIDC Road, Ahmedabad - 382445.
E-mail ID : info@nsengineers.co.in , Web Site : www.nsengineers.co.in , Ph : 09601282133.

➤ **Ashirvad Electrical & Engineering Services :-**

- Power System Analysis(i.e. Load Flow Study, Short Ckt. Study, Relay Coordination) of M/s. Bosch Ltd Plant, Jaipur.

➤ **Ohmkar Engineers :-**

- Engineering, Retrofitting & Commissioning of Siemens/ABB make Numerical Relays (Distance Protection, Bus-bar Protection, Back up protection) at 220KV Reliance(Jamnagar) & GETCO Substation.

➤ **Gujarat International Finance Tec-City Company Limited :-**

- Power System Analysis(i.e. Load Flow Study, Short Ckt. Study, Relay Coordination) for GIFT City, Ahmedabad.
- Configuration of the relays & support for communication to SCADA.

➤ **Raviraj Foils Limited :-**

- Supply of Numerical Protection relay & Retrofitting of Numerical relay in existing panel.

➤ **AEPL Engineering Pvt Limited :-**

- Testing & Commissioning of ABB Make Numerical Relays at Cairn India Ltd., Barmer Plant.

➤ **Jyoti Limited :-**

- Testing & Commissioning of 66KV Pumping station at Rapar, Sardar Sarovar vidhyut Nigam Limited.
- Power System Analysis and Relay Coordination for 66KV Pumping Station at Rapar.

➤ **L&T ECC :-**

- Testing & Commissioning of 11KV Pumping station at Pali, Rajasthan, Jawai Cluster Project.

And much more....

Our Ongoing Projects:

- ❖ Testing & Commissioning at 400KV GETCO Substation at Halvad, Gujarat.
- ❖ Testing & Commissioning at 220KV GETCO Substation at Modasa, Gujarat.
- ❖ Testing & Commissioning of RTU Panel at RRVPNL.
- ❖ Power System Analysis of M/s. GIFTCL at Gandhinagar.
- ❖ SCADA for Synchronization & Process system for 7X110MW Hydro Power Plant at APGENCO, Srisailam.
- ❖ Testing & Commissioning of Numerical Relays at M/s. Cairn India Ltd, Barmer Plant.
- ❖ Testing, Commissioning & Power System Analysis of Pumping Station at Rapar for M/s. Jyoti Ltd.
- ❖ Testing & Commissioning of 8 Nos. Pumping Station at Pali, Rajasthan for M/s. L&T ECC.
